Off Track Locations

Calico Jack's Village is situated on the beach of a remote peninsula in the Stann Creek region. It's close to jungle habitats, vast expanses of fruit and mangrove forests, lagoons and rivers, the Caribbean Sea. The village is accessible from the nearby airstrip by rugged roads that wind through local villages or by boat through a captivating nine-mile expanse of lagoon.

Our village is within driving and/or boating distance to the Monkey River, Jaguar Preserve, rain forests, mountains, and Mayan caves.

Land and Sea Tours

Calico Jack's Village is located within driving/boating distance to many of Belize's popular natural land and sea attractions. Our guests can enjoy multiple adventures from here, including hiking and tubing through Mayan caves and jungles, a shopping trip to Guatemala, and sea expeditions that include reef and fly fishing, sailing, diving, snorkeling and more. (instruction and certification available).
